

## DANCE AT GREEN BAY SCHOOL LUNCHTIMES

- MONDAY - Ballet
- WEDNESDAY - Jazz Hop

**Helen A. Dance Tuition** is extremely excited to be able to offer your child in-school lunchtime dance classes at Green Bay School.

We bring **DANCE** to them at school in a caring and fun environment and you do not have to do anything.

No after school or weekend classes, no extra travel or added stress for the already busy parent of today.

I have been running this amazing programme now for over 6 years in schools throughout West Auckland. Parents have loved the ease of the classes and commented that for a busy family, these classes are an absolute winner. Not having to rush out to after-school activities has been life changing!

The classes are held during lunchtime in the school hall. They are designed to cater for girls and boys, beginners of all ages. They are not exam orientated, but classes progress each Term to allow for complete step development and dance knowledge growth.

At Green Bay School, we hold the following classes – BEAUTIFUL BALLET on MONDAYS and FUNKY JAZZ HOP on WEDNESDAYS. The cost per Term is \$150 (starting in week 2 of each Term). Class sizes are limited so that personal attention is given to each aspiring dancer. The School Office DO NOT handle enrolments, so please do not ask them.

To enrol and secure your child's place, please email me on [helenadancet@gmail.com](mailto:helenadancet@gmail.com) with the following information – Child's Name, Address, Parent Mobile, School Room Number. When this is received, you will get notified via email and an invoice is sent to you for payment.

I look forward to helping develop your child's *LOVE of DANCE*. I have a fabulous team of dedicated and extremely professional teachers who absolutely love teaching these classes alongside me.
