

KNOWLEDGE-A-THON

Dear GBS Parent/Caregivers

Green Bay School Knowledge-a-thon Monday 20 May - Friday 24 May 2024

The power of **knowledge** is coming to Green Bay School – it's the Green Bay **Knowledge-a-thon Fundraiser!**

Our students will be seeking online sponsorship to support their school and take part in the most mind expanding, educational, and brain-busting event of the year – as well as have a lot of fun in the process.

At Green Bay School we take pride in what we offer our students, and fundraising plays a massive role in that. And so, we are fundraising for an extension to the senior playground, something that will benefit the school for many years to come, giving our students a place to play after working so hard at their learning.

By supporting this fundraiser, you are helping make our school a better place, as well as giving our students the chance to show off all of the **knowledge-a-thon** they have worked so hard to learn. Thank you for supporting Green Bay School.

How will this fundraiser work? This year we have partnered with online fundraising company, Go Raise It. Collecting sponsorship online makes it super easy for everyone - no more door knocking, your child can collect more donations from further afield (friends and family living overseas, work colleagues etc) and no need to worry about handling cash!

How do I sign my child up to fundraise online? Each child can sign up for their very own fundraising web page to send out to collect online sponsorship from anyone, anywhere!

Just go to our Fundraising Hub page at: <https://greenbayschoolknowledgathon.raiseit.co.nz>

Or use the QR Code to visit the hub page:

Click on the SET UP A FUNDRAISING PAGE button.

If you need any help, email help@raiseitfundraising.com for direct assistance.

Multiple children in your family? No problem, all children can sit under the same email address. You'll find a button to set up another page while logged in to the fundraising account you created first.

Do I have to sign up for an online account to fundraise? We would love everyone to have an online account as this allows the school to significantly reduce administration overheads. Go Raise It adhere to strict cybersafety guidelines which is built into the fundraising website.

Prizes: We have a great range of fundraising prizes available including spot prizes and overall fundraising prizes for classes/individuals.

Event Details: Students will be coming home this week with the general knowledge questions for their class (different questions for each Year level/Whānau), then in the week commencing 20 May 2024, each class will be tested on the questions and see what they've learnt over the three weeks!

Regards

Anand Muthoo
Principal, Green Bay School.
